

ENGINEERING AWARDS

2018 STEVE SCHOTT EXCELLENCE IN ENGINEERING AWARDS GO TO

Dan Sessler - Long time broadcaster since 1966 as station co-owner, Engineer, Harris sales Radio & HDTV, to RF Specialties TX owner.

Tom Morris - 58 year veteran of broadcasting as an employee, consultant, and volunteer. He is a licensed PE. and has provided significant expertise to KLRU-TV, KUT & KMFA.

Wayne Pecena - Director of Engineering at Texas A&M University, prolific presenter of SBE technical webinars, seminars and author of

This Engineers dinner was started by Steve Schott and Bernie Giesler in 1990 and later became a way for those who have outstanding ability and creativity in the Radio and Television industry to be recognized for their engineering abilities and successes. We hope you enjoy this evening.

Steve H Schott
1944-2009

The annual Engineering Dinner will be held Wednesday, August 1st 2018 at 7:35 PM Your spouse (or special friend) is most welcome to join you in this evening's fellowship.

Together, we all can celebrate your dedication to our industry.
